Required Text and Materials - Materials will be provided by the instructor.

The Course Focuses on processes and strategies for a variety of academic and disciplinary genres, with a special emphasis on the basic university textbook; strategies for learning from textbooks and other materials relevant to reading for academic purposes; and vocabulary study.

Expected Learner Outcomes - Given a range of discipline-specific texts, students demonstrate reading/studying skills and strategies by identifying the purpose of text by previewing and stating the relevant ideas, taking notes that capture the important content and represent the organization of a text, writing coherent summaries, and by locating specific items of information and correctly answering content-relevant questions.

Grading - The grades you get for each class are based on the work you do for that class. Attendance and effort are important factors for successful learning but do not directly affect your grade. It is important for you to do your best on all your in-class and at-home activities as they will be graded on how well you complete these activities. Successful completion of these activities will help you gain the knowledge and skills you need to meet learner outcomes for each course.

IELI and USU Attendance Policy - Learning a language requires that you actively attend and participate in your classes. If you do not regularly attend classes, you may miss important information and fail the class, not progressing to the next level in the IELI program. Attendance is not only important for learning but essential for international students on an F-1 or J-1 visa to maintain their legal immigration status. IELI works closely with the office of Global Engagement to ensure that our students maintain their immigration status and will report students who regularly miss class. Consequently, the following attendance policy will be enforced.

Missing consecutive classes - If a student misses 7 consecutive classes for any one class without contacting the instructor and providing valid proof of absence (e.g. a medical excuse from a doctor), their immigration status will be terminated and they will be sent home.

Total classes - If a student misses 7 total class hours for any one class or 22 total class hours in any one semester, their immigration status will be terminated and they will be sent home.

USU policy- excused absences - According to the USU policy, a student may not miss more than 20% of any class even if it is excused. This means that you cannot miss more than 9 classes for any one class, even if some of the absences are excused. If a student’s total absences (excused and unexcused) for any class exceeds 9, their immigration status will be terminated and they will be sent home.

Warnings - Students will get at least three warnings before their immigration status is terminated. It is the student’s responsibility to provide a current e-mail address to IELI and the office of Global Engagement and check their e-mail regularly. If a student’s immigration status is terminated, they will be given 15 days to leave the U.S.

Progressing to the next level - You must receive a grade of C- or better in any IELI class in order to pass that class and move to the next level of that class. Students who receive lower than a C- are required to repeat the class until they receive a passing grade. If you are not passing a class at mid-term you will be re-registered for the class until final grades are posted. If your final grade shows that you passed the class, you will be moved up into the next level or the class will be dropped.

If you want to check on how well you met the learner outcomes for each class, there are two ways to do so: 1) you can get a copy of the student achievement form from the IELI staff assistants or 2) you can access your grade on the USU website and then compare the grade to the Grade Descriptions on the IELI website (Current Students -> Academics-> Grade Descriptions).

In-term evaluations - Your professors will inform you, in writing, of your grade three times during the semester (e.g. approximately 4 weeks, 8 weeks and 12 weeks). For the midterm evaluation, IELI faculty assign a letter grade to students in each of their classes. If you are doing work at a level lower than C in any of your classes, your professor will meet with you to discuss what you will need to do to pass the class.
